Respect Resilience Aspire Achieve

28th November 2014

Dear Parents / Carers,

We are delighted that all pupils in Elder class have been invited to take part in a series of Science Workshops at Stour Valley Community School. This first workshop is on Tuesday 16th December 2014. By attending these workshops, pupils will have the opportunity to experience specialist scientific equipment and laboratories alongside developing their scientific skills in preparation for KS3.

Further workshops are scheduled for 13th Jan and 3rd March 2015.

The workshop will take place, in school hours, from 10.55am to 11.55am. Stour Valley Community School are providing transport using their school mini bus. Mrs Ashman and I will accompany the pupils. The pupils will have lunch as usual on their return to school.

Please confirm that your child is able to take part in these exciting opportunities by completing and returning the attached slip to school by 9am Friday 5th December. A reminder will be sent to parents before each future visit.

Yours sincerely,

Kirsten Fell
Elder Class Teacher

Stour Valley Community School – Science Workshop
