Gardening Club

There are a few spaces left for children to attend Mrs Temple-Nidd's Vegetable Garden club starting this Thursday (20th April). We'd like to open this opportunity to year 1 and 2 children. If you are interested in your child attending, please email the office and we can add your child to the list. For those who are already down to attend, please send in some old clothes for the children to wear, as it is very likely they will get mucky!

Good afternoon!

Welcome back to the start of the Summer Term – it would seem the Summer term has started off lovely and sunny (fingers crossed it is here to stay!) The children were even able to enjoy lunchtime on the field once the groundsmen had been and cut the grass!

We hope that you had a good holiday and have eaten lots of chocolate! From today we have a new Dinner Menu. A copy has been attached to the email with the Weekly Update.

Ofsted Visit

We were pleased to welcome Dr Adam Cooke, HMI from Ofsted to Hartest so that he could undertake our second monitoring visit.

This was a monitoring inspection, so there will be no change of grade, but it gave us the opportunity to show Dr Cooke the progress that we had made. We would like to thank all the parents who completed the Ofsted Parent View questionnaire and all the staff, governors and children who spent time talking to Dr Cooke.

The report will hopefully be published in about four to six weeks. As soon as it is published, we will share it with you.

Easter Service at Church

Thank you so much for coming along and supporting the children. I think you'd all agree they did a fantastic job. The children were so brave to stand up in front of everyone, share their poems, sing their songs and say their lines. The children have told me how much they enjoyed visiting and performing at the church, we are hoping to make it a more regular occurrence.

Easter Egg Competition

Well done to everyone who entered the Decorated Egg Competition. They were egg-cellent! Here are the winning eggs:

Hartest CE Primary School

Bag 2 School is a company that specialises in the reuse and recycling of good quality second-hand clothing and we have arranged to make a collection from your school. All the bags will be weighed and you will be paid for the total weight collected. Remember, the more you collect the greater the benefit to your school.

By using this paper leaflet we are helping to reduce unnecessary extra plastic. Please use your own bag or bags (there is no limit). The leaflet is FSC accredited, please recycle it.

When the clothes have been removed from the bag the plastic will be packed and sent for recycling.

We are collecting good quality items for RE-USE:

Men's, ladies' & children's clothing, paired shoes, handbags, belts & accessories.

(No uniforms, workwear, pillows, duvets or pieces of fabric please)

The more we weigh the more we pay!

Extra bags are welcome - there's no limit
